

## Ashington Parish Council

### Planning Bulletin June 2010

#### **Applications**

##### **PC supported:**

DC/10/0993 Two storey rear extension, conservatory and conversion of existing garage to granny annexe for dependant relative incorporating a new pitched roof over - The Wickets London Road

Parish Councillors expressed some concerns at the loss of a garage and regarding the TPO protected oak tree to the front of this property – the new parking arrangements would result in vehicles parking very close to the tree. The Parish Council would like to see a restriction imposed that the ‘granny annex’ can only ever be used by a family member ie not rented separately from the main house

DC/10/1102 Retention of existing car park "stick" lights - Indian Cottage London Road.

##### **PC objected:**

DC/10/1059 Construction of a green waste composting and wood chipping facility, ancillary offices and weighbridge associated roads, car parking and landscaping (County Consultation) - Broadbridge Farm London Road – visit [www.ashingtonpc.org.uk](http://www.ashingtonpc.org.uk) for full details

DC/10/1104 Retention of existing illuminated boundary sign at edge of car park - Indian Cottage London Road. The light above the sign overhangs the pavement and is a safety hazard. The Council had no objections to the sign itself although it should be noted that the position of the sign is forward of that shown in the submitted plans.
