DC/10/0336 2 storey rear extension - **10 Posthorses**

DC/09/2281 Extend factory working hours from 0600 hours to 2300 hours Monday to Saturday - **New Highfield Works Spring Gardens**

The Parish Council had no objections to the extension in working hours in principle but insists that the current restrictions on the high pressure testing times be kept in place (as existing) so that this noisy activity did not disturb near neighbours.

PC objected:

WSCC Minerals & Waste Development Framework has identified a potential site for an open composting facility on **land at Broadbridge Farm** to the east of Ashington village. For a full copy of the reasons for objection visit www.ashingtonpc.org.uk or contact the Parish Clerk.
