Present:

Councillors: Terry Kearney, Philip Kerrey (Vice-Chair), Jeanette Lawson, Graeme MacPherson (Chair), Marcus Meldrum, Tony Moss, Bruce Wallace, Malcolm Woolley

In attendance:

Clerk and RFO: Lee English

Members of the Public: 6

Members of the public were reminded that they limit their participation to the Public Adjournment section of the meeting, and that any matters raised should be with regards to an item on the agenda (Standing Orders allow for 5 minutes maximum per person). Questions relating to any other items that are not on the agenda should be referred to the Chair of the Council or the Clerk as appropriate and outside of the meeting.

056/26	<u>Apologies for absence</u> Councillor: Sam Barnett, John Morris Horsham District Councillor: Philip Circus. Alan Manton attended the meeting but was unable to stay and therefore submitted his apologies. County Councillor: Paul Marshall
057/26	<u>Declaration of Interests and notification of change of interest</u> Cllrs were reminded to declare any new interests or changes to existing declarations, and to declare any interest relating to matters on the agenda. Cllr Moss – Devine Homes (Cllr lives close to the site) Cllr Woolley – planning application DC/26/0247 (applicant known to the Cllr)
058/26	<u>To approve the minutes of the Parish Council meeting 12th February 2026</u> The minutes to be approved as a true record of the meeting. Proposed by Cllr Moss, seconded by Cllr Woolley and APPROVED by all. To be noted that the minutes were approved <u>after</u> the Public Adjournment section (060/26) as a member of the public wished to raise a question regarding the minutes.
059/26	<u>Reports from District and County Councillors</u> None

060/26

Public Adjournment

Members of the public may make representations, answer questions and give evidence with regards to items on this agenda.

1. **Parish Council meeting, 12th February 2026** – a matter was raised concerning the wording of the minutes for item 031/26.
 - The comments were noted, and it was responded that Cllrs could take a view on the matter when the minutes were put forward for approval.

The minutes were then put for approval as noted in 058/26.

2. **APC/ACCT Annual Facilities and Services Agreement** – an ACCT representative raised several issues regarding the agreement.
 - It was responded that the agreement would be discussed in 061/26.
3. **Corporate Trustee Proposal** – an ACCT representative noted that a response had been sent from ACCT to APC before the February council meeting and that it was not raised at the meeting. The response received from APC is being dealt with by ACCT.
 - The response from ACCT received was too late to be included on the February agenda.

061/26

Ashington Community Centre Trust (ACCT)

To receive an update on ongoing matters

1. **Annual Facilities and Services Agreement**

ACCT had sent over their draft of the agreement that day (12th March). The fundamental elements of the agreement (p2 the table) were largely unchanged, but the preamble (p1 background notes) had been amended.

Therefore, the proposal was to accept the terms of the agreement, and for the time being not to accept the preamble, until it can be properly agreed; this is to prevent further delay regarding the issue.

Cllrs **APPROVED** the terms of the agreement.

2. **Corporate Trustee proposal**

The parish council submitted a request to ACCT in September 2025, to consider a proposal to allow Ashington Parish Council to appoint a “corporate trustee” to the board, because a parish council is a “legal person” in law, and can do so, under the Localism Act. A detailed explanation was sent to ACCT with how to deliver this change and to propose that we moved forward on that basis. The response was received shortly before the last meeting and therefore was too late for the agenda of that meeting (although a copy was passed to Cllrs). It was clear from the response that there was significant misunderstanding, including a comment from the ACCT that the parish council is looking to become the sole trustee – that is not the proposal from the council and was not in the proposal as sent out last September. Therefore, in the interim, a response was sent back to ACCT clarifying our position and to request the response to 3 questions; which we are awaiting a response to.

A Cllr proposed a face-to-face meeting, and it was agreed to make this offer to them.

3. **Agendas and minutes for ACCT board of trustee meetings**

(Matter not discussed)

4. **Use of ACCT facilities for a parish office**

No further progress on the matter, although it is hoped the face-to-face discussions will move the matter forward.

062/26	<p><u>Parish Council office</u> Cllr Kerrey updated regarding the previously highlighted priorities -</p> <ol style="list-style-type: none"> 1. Request of use of ACCT facilities <ul style="list-style-type: none"> - Awaiting a definitive answer. 2. Identify additional office space in the village <ul style="list-style-type: none"> - No suitable spaces were identified at this time. 3. Investigate use of the Parish Yard for a temporary structure. <ul style="list-style-type: none"> - Ongoing, pending final decision on item 1.
063/26	<p><u>Staffing Committee</u> Cllrs reviewed and APPROVED adoption of the Terms of Reference.</p>
064/26	<p><u>Staff recruitment</u> As previously approved by council to employ a 2nd member of staff, quotes were sought for HR advice to review the needs of the parish council and the staffing required.</p> <p>A quote had been received from an HR consultancy (sector specific) – HR consultancy £525 +vat WSALC No additional cost as a current subscriber. Cllrs APPROVED seeking recruitment advice from WSALC.</p> <p>It was proposed that the Staffing Committee meet on 26th March to draft recruitment documents and present at the April meeting for approval. Cllrs APPROVED.</p>
065/26	<p><u>Ashington Neighbourhood Plan Community Facilities 2026 – 2031</u> A draft document had been prepared to review how the council progresses the community facilities element of the ANP, including recommendations and a timetable.</p> <p>It was raised that there were works required on the existing Sports Pavilion roof and the car park (part of the proposed “community cluster”) and could any CIL funds be allocated to them. It was noted that CIL funds will be a contribution to the policies in the ANP and prioritisation will take place as per the recommendations in the document.</p> <p>One issue raised was the viability of the “community cluster” and whether that was still deliverable and it was noted this would be an issue to consider short term, and if not deliverable, could be incorporated into a review of the neighbourhood plan.</p> <p>It was asked whether all policies would be reviewed, given the length of time since the plan was written. The response was that guidance had been sought, and the general consensus was that a review should not take place until the HDC Local Plan is in place. It was noted that the policies themselves were broadly still fit for purpose, but that the actual specifics may need reviewing.</p> <p>A summary of recommendations was provided -</p> <ol style="list-style-type: none"> 1. Completion of Sports Pavilion due to be delivered under Policy ASH11 2. Provision of a parish office / community building (either as part of an existing community facility in the village cluster, at the new sports pavilion or as a separate facility). 3. Consider the upgrade / improvement of existing facilities.

4. Review the ANP if/when the HDC Local Plan is approved to determine that the existing provisions are fit for purpose and that the aspiration of achieving a “community cluster” is achievable as originally planned.

The Cllrs were asked whether they wished to proceed with the draft document as presented, or to include the scope of Cllr Wallace’s discussion regarding potential CIL fund allocation to the Sports Pavilion roof and car park works. It was noted that this was not a discussion that couldn’t be had in the future, but that the council had a commitment to deliver the existing policies and commitments first, before agreeing to any new work that had not been subject to the referendum for the neighbourhood plan.

Cllrs **APPROVED** the document as per the original draft.

066/26 Parish Yard redevelopment

It was noted there is currently a parking arrangement in place that is subject to an annual review, although either side can give one month’s notice. This year’s agreement expires in July 2026.

Previously a large amount of preparatory work was carried out when a café was proposed, the site was surveyed, and works identified the location of the utilities. Moving forward it would need to be identified what any building on site would be used for, whether it would be temporary or permanent, and what is acceptable for the site. It was noted that all options should be discussed from doing nothing with the site, to selling it.

It was noted there is a pressing issue regarding a parish office, and that given the lack of final response from ACCT, that other options could be considered. It was asked whether this was an additional use of the CIL money, but it was responded that this is priority 2 of the community facilities agreement as discussed earlier in the meeting.

It was noted that this links with the new Sports Pavilion (potential for parish office), but that provision of that building may be 2 years away and the council requirement is more immediate.

It was proposed and **APPROVED** that the working party investigate outline costs for developing the site.

067/26 Correspondence received for Councillor information

1. **ACCT Board of Trustees** meeting minutes for 26th November 2025 and 9th February 2026.
2. **Wardens report** for February 2026 - [Appendix 1](#)
The issue was raised that the Wardens have highlighted the concern regarding potential noise transfer should the Storehouse room be rented out commercially, given the often confidential nature of their work.
3. **WSCC Local Elections** – having previously been deferred due to Local Government Reorganisation, these have been reinstated and are due to take place on 7th May 2026.
4. **Sussex Police Fatal Five Unit** – This new initiative has been introduced to tackle the top 5 most common causes of fatal and serious injury collisions. The Speed Indicator Device installed in 2025 has enabled a body of evidence to be compiled regarding speeding on London Road and the Billingshurst Road and

	<p>this has been passed to Sussex Police with a request for enforcement action. The PCSO is liaising with the unit that covers Ashington.</p> <ol style="list-style-type: none"> 5. HDC Community Governance review – This will come out soon and will consider whether there is desire to make changes to the existing arrangements of Parish Councils, such as merging or abolishing parishes and electoral arrangements. 6. Wiston PC TRO application for speed reduction to 30mph on Hole Street and Water Lane – although the application passed the initial assessment it did not meet the required scoring threshold to progress further at this time. 7. Appendix 1 – Wardens Report

Warden Monthly Report

February 2026 Ashington

Anti-social behaviour (ASB) and crime

We are continuing to support businesses and residents at the south end of the village following last months report. We are working closely with everyone involved as well as the managing agents.

We reviewed CCTV following a resident contacting us about an incident in the skate park when items were thrown at some young people. We have spoken with the resident involved and have liaised with the local PCSO in case there are any future issues.

Fly tipping/littering/graffiti.

We have been out litter picking at different points this month across the village. We have our big spring litter pick on 28th March. If anyone would like to get involved and help tidy the village up, then please get in touch with us.

We reported two lots of fly tipping in the village which have been removed.

Community engagement/events/meetings

We held another journey support group this month, numbers have risen this month, and we are seeing some new faces attend.

We also held another community hub, which was most successful for the parish in bloom meeting. It was lovely to see how many residents want to get involved with the parish in support of their project.

We attended a networking event run by Horsham District Council. It was a really beneficial meeting, which has given us lots of new contacts we can approach for help with different services or working with different partners based on what our residents need.

Patrols (foot/visible and car)

We have been out on patrol covering all of Ashington this month, either by foot or vehicle. It has been nice to have an increase in residents engaging with us when we are out as the weather improves.

Older, vulnerable people and youth

We are continuing to support some residents in the village who are struggling with food parcels and ongoing support. This is ongoing and depends week on week what support is required.

We are supporting some older residents who are struggling to get out and about and looking at the longer-term support that could be available to them to maintain some independence and reduce isolation and loneliness.

Vehicle related issues.

We have had reports of a vehicle driving anti socially in the village, we were aware of who the driver was, and words of advice were given. We will monitor and see if things improve, but so far, we haven't seen or heard any other complaints.

Parish specific/other

We are revisiting the issue of parking around the village and looking at long term solutions such as a Traffic Regulation Order for round the bend near the church on Foster Lane, we will discuss with the parish to see if we can get an application in this year and what areas could potentially be submitted under the Traffic Regulation Order.

Social media/press

We are getting positive feedback about the articles we have written for Sussex Local magazine. If any residents would like further information, then they are welcome to contact us. We are also posting on Facebook to advertise the events we are running. Please look out for posters for the Big Spring Clean.
