Declarations of Interest: None

Public Adjournment

The applicant briefly described the application and its purpose: they have owned the house for more than 70 years and wish to develop a new house on the site of the farm building so that family members can move back into the village.

Planning applications

DC/19/1445 Change of use of existing farm building to C3 dwelling house - Woolvens Farm Billingshurst Road

There was some discussion about why this change of use required a full planning application and not a 'prior notification application' as this kind of change of use does not normally require full consultation. The applicant was advised to seek HDC's advice on this.

The Council has no objections.

Correspondence – none
