Neighbourhood Plan Clerk

Ashington Parish Council

Honeysuckle House

London Road

Ashington RH20 3JR

Dear Karen

Thank you for your letter regarding the Ashington Neighbourhood Plan. It is always very helpful to understand Parish Council planning with regard to new homes being built within our catchment area.

I would like to confirm that our current facilities and staffing will be able to absorb this increase in our patient list and that we welcome all new patients, however it is up to the patient to choose where they wish to register and some may well wish to join the practices based in Storrington or Steyning.

Yours sincerely

Alan Bolt
