AMENDED: DC/18/2354 Land South of Oxcope Farm, Hooklands Lane  
Mixed use of land for agricultural and private professional equestrian activities,  
replacement barn, stable building, sand school, horse walker, muck storage area and  
associated hard surfaced area and re-topping of existing access track.

The Parish Council's concerns and objection of 6<sup>th</sup> December 2018 remain valid although  
Councillors are pleased that large vehicle routing to/from Billingshurst Road is proposed.  
Concern was expressed at the potential commercial use referred to in the application, and  
the traffic that would be associated with such use; eg "it is only commercial in so far as  
the enterprise has to pay for itself".

### **Correspondence**

Ashington PCC – proposed installation of new noticeboard outside Parish Church. Informal  
consultation with Parish Council prior to submission of a planning application.

The plans were reviewed and discussed. There were no concerns raised.
