Planning applications

DC/21/0672 Replacement of the existing rear pitched roof to conservatory with flat roof and replacement of glazing to conservatory with new walls, windows and doors. Loft conversion incorporating creation of rear dormer and insertion of window to side. (Part-Retrospective) - Chanctonbury View 13 Turnpike Way

Councillors raised no Objections but do have concerns about the impact on privacy in neighbours' gardens due to the dormer windows and expect that appropriate fire regulations are complied with.

It is unfortunate that much of the application is retrospective and expect that any further development follows the correct procedures.

The Planning Committee meeting closed at 7.45pm
