

Ashington Parish Council

Minutes of the remote meeting held on Thursday 6th May 2021 at 7.45p.m.

Present: Councillors: N. Spiers, P. Kerrey, T. Kearney, T. Moss, M. Woolley, J. Morris, S. Ball, G. MacPherson

Also present:

Clerk: Karen Dare

Neighbourhood Wardens: Bryony Sparks & Christina Arnold

2 Members of the Public

111/21 **Apologies for absence**

Apologies for absence were received and approved from:

Parish Councillors: Paul Linehan, J. Stillwell & T. Watson

District Councillor: John Blackall & Philip Circus

No apologies from District Councillor J Saheid

County Councillor: Paul Marshall

112/21 **Election of Chairman and signing of declaration of office**

Cllr. Spiers was nominated by Cllr. Moss and Seconded by Cllr. Woolley. There being no other nominations Cllr. Spiers was unanimously elected as Chairman and signed the declaration of acceptance of office.

113/21 **Election of Vice-Chairman and signing of declaration of office**

Cllr. Ball was nominated by Cllr. Spiers and Seconded by Cllr. Kerrey. There being no other nominations Cllr. Ball was unanimously elected as Vice-Chairman and signed the declaration of acceptance of office.

114/21 **Allocation of committees and formation of any new committees as required by the Parish Council.**

New Committee/Working Group allocation:

Finance – Cllrs Woolley, Macpherson, Spiers, Moss, Linehan. Clerk to check with Cllr Watson if he wishes to remain on the committee.

Planning – Cllrs Woolley, Spiers, Kearney, Linehan, Morris. Clerk to check with Cllr Stillwell if she wishes to remain on the committee.

Staffing – Cllrs Spiers, Ball, Watson. Councillors agreed to disband this Committee and re-form when necessary.

Warden Steering Group - Cllr Morris and Cllr Linehan

Youth Partnership Group - Cllr Spiers and Cllr Ball

It was agreed in May 2019 that Councillors should not serve more than 2 years on the Youth & Wardens Steering Groups as it 'is good to get a fresh outlook on these issues on a regular basis'. For that reason, Cllr Stillwell was replaced by Cllr Linehan and the Chair thanked her for her many years of service on the Warden Steering Group.

It was agreed that the Youth Partnership Group would continue for the time being until such time as new Youth provisions were agreed with the AYC. It is envisaged that AYC will, subject to PC approvals, be responsible for any future delivery of Youth services and the Parish Council already has 2 AYC representatives.

115/21 Appointment of representatives to outside bodies

The following were agreed:

Ashington Community Centre – Cllr Morris to remain a Trustee. Only one representative is required, therefore, Cllr Watson to step down as an Observer,

Horsham District Association of Local Councils – Cllr Kearney & Cllr Moss

Ashington Youth Club – Cllr Ball & Clerk to check if Cllr Watson is happy to remain.

WSALC/SSALC – Cllr Moss

116/21 Confirmation of the schedule of meetings for 2021-22

The schedule of meetings was distributed to all Councillors prior to the meeting. Agreed

117/21 Annual Review of the Code of Conduct

The Clerk confirmed there were no amendments to the Code of Conduct previously adopted by the Council. All Councillors to sign the acceptance sheet and approve the Code of Conduct. Agreed

118/21 Annual Review and Approval of Standing Orders

The Clerk confirmed there were no amendments to the standing orders previously adopted by the Council. The Council to approve the Standing Orders. Agreed

119/21 Annual Review of the Register of Members Interests

All Councillors have been emailed a copy of the Register document and were reminded to complete a new register of member's interest and return to the Clerk by 31st May 2021.

120/21 Annual Review of the Council's Financial Regulations, Financial Risk Assessment documents and Asset Register

The Financial Regulations & Risk Assessment were reviewed in May 2020 and no changes are considered necessary. Councillors to approve. Agreed

The Asset Register is updated regularly as and when assets are purchased or disposed of. The Clerk confirmed that the new memorial bench had been added to the Asset Register at the time of purchase.

121/21 Annual Review of Councillors' and Chairman's allowances

Councillors are reminded that the Council does have a scheme of member's allowances. It is noted that this scheme was introduced in April 2008 following a recommendation to all Parishes from HDC's Independent Remuneration Panel. The Scheme has not been amended since then and the Clerk notes that HDC's most recent Independent Remuneration Panel report of August 2015 contains no reference to Parish Councils at all. Councillors are reminded that they can claim all modest expenses incurred on the execution of Parish Council business.

Since 2008 no Councillor has ever taken the allowance, allowing an annual cost saving of up to £4,730 (almost 5% of the Precept) to be ploughed back into the community.

All councillors to indicate to the Clerk, in confidence, if they want to take the £430pa allowance.

Monthly Parish Council business

122/21 Declaration of Interests and notification of change of interest

The Chairman reminded Councillors that previous declarations still stand (as defined under the Localism Act 2011).

Cllr Woolley reiterated his ongoing declaration of interest in the Neighbourhood Plan and HDC's Local Plan (items 134/21 & 135/21)

123/21 Neighbourhood Wardens Report (Appendix 1)

The Wardens talked through their report.

Cllr Moss complimented the Wardens on their Summer activity survey and suggested they liaise with AYC and possibly share resources. He thanked the Wardens for keeping a good eye on litter in the village and AYC for the upcoming litter-pick.

Cllr Spiers informed the Wardens that residents living near the Pharmacy have been told how to get an Access Protection Line painted on the road to stop cars blocking their driveways.

The Chairman thanked the Wardens for attending the meeting. They left the meeting.

124/21 **Public Adjournment** - Members of the public can ask questions.

1. Reported the poor condition of the Billingshurst Road surface. WSCC are making some repairs but potholes are numerous and deep. Speedwatch report that there is one lorry every @15 minutes so the road is well used.
2. Some of the speed bumps in Rectory Lane are breaking up. Some have recently been sprayed with white paint by WSCC to indicate repairs are needed.
3. Can the Rangers clean the road signs in the village? The Chairman reported that the Rangers are not able to work within 2m of the highway without special permission from WSCC and additional safety measures and WSCC supervision.

The Clerk informed those present that WSCC do not have a mechanism for reporting large numbers of issues by email. Individual issues are reported online via LoveWestSussex. If individuals aren't able to report issues themselves then they should send specific details to the Clerk.

125/21 **Reports from District & County Councillors**

This is a summary report from Cllr Paul Marshall on the events of the previous year:

As you know the biggest priority for the County Council has been the impact of the pandemic within the county. The County has been instrumental in its leadership through its Public Health role and its Social Care with Adults, Young People and Children. This has been coordinated with partners such as, Education Settings, District Councils, Health Partners and the Voluntary Sectors. This effort has been targeted at the critically extremely vulnerable residents and providing a wider range of support either directly from the Community Hubs or via its Partners.

The most recent reported infections up to the 30th April show a dramatic decrease with the Horsham District being the lowest per 100,000.

South East	1,495	16.3	6.8
England	12,733	22.6	8.1

Whilst the government have said the local authorities can stand down the critical extremely vulnerable support can be reduced the County have decided to maintain the focus on support for this cohort as well as support for any residents through its Community Hub.

As the progress continues to be made across the County to roll out the Covid vaccination, the latest stats show the incredible numbers of people who have now received their vaccine.

Of the first nine priority cohorts, 90% have now received their first dose and this continues to go up as more outreach clinics and dedicated sessions take place. In addition, with the focus on second doses, 40% of these groups have also now had their second jab with thousands booked in for their appointment this week.

One particular group where there has been a clear focus has been residents in care homes and the programme is on track to have vaccinated 80% of care homes by the end of this week. (1st May)

The County has now reset its priorities. The Reset Plan is our corporate plan for 2021-2025.

The plan sets out the priorities for the council over the next four years and the outcomes we want to achieve for people who live and work in West Sussex.

We will focus on four priorities, all of which are underpinned by a cross-cutting theme of tackling climate change:

- Keeping people safe from vulnerable situations.
- A sustainable and prosperous economy.
- Helping people and communities to fulfil their potential.
- Making the best use of resources.

The plan also contains a set of performance indicators that will be used to measure the impact of the work we do in the county and whether we have achieved the outcomes and delivered on the four priorities in the plan.

The recycling site pilot booking scheme seems to be going well with plenty of short notice slots in for Horsham and as you know Billingshurst is not part of this scheme and no pre-arranged visit is necessary.

Importantly the A27 Arundel improvement scheme is committed, and I understand a contractor has now been appointed to develop and deliver the scheme.

In addition, you will all have noted that the highways department have been removing the Ash trees from the verge highways as part of the Ash Die back programme.

Clearly the biggest challenge for Ashington is the adoption of the local neighbourhood plan at the elections today as the alternative is unrealistic and I will support the parish in this endeavours.

I look forward to supporting the Parish Council post May elections subject to being elected to the county council.

DECISIONS TO BE TAKEN:

126/21 Minutes of the Parish Council meeting 1st April 2021 & Annual Assembly 4th March 2021

The minutes of the meeting dated 1st April 2021 and Annual Assembly dated 4th March 2021 were approved as a true record and signed by the Chairman. Proposed by Cllr Morris, seconded by Cllr Kerrey and agreed by all.

127/21 The Parish Yard - update

1. Surveys were done in March. Once the reports are available then an architect can produce concepts and plans prior to planning application. No progress. **CFWD**

128/21 Annual Review of ACCT/PC agreement –

1. ACCT have presented a draft Licence (rather than Lease) for the skatepark and Over 12s play area and Cllrs McPherson & Linehan are in discussions with them about it and will update next month.
2. ACCT still need to transfer ownership of skatepark equipment to PC (by simple letter).
3. Clerk to amend & update gardener's contract. **KD CFWD**

129/21 Youth Services Review –

The AYC committee are in the process of putting together a proposal to present to the Parish Council. **CFWD**

130/21 Correspondence received for Action –

1. DCMS Rural Broadband Consultation. Ends 25th May. No response.
2. Great British Spring Clean 28 May–13 June 2021. AYC are litter-picking on 8th May.
3. WSCC – reply regarding use of FP2505 through Americas Wood for horses. It may be possible to get the route upgraded to Bridleway status. This would require landowner and WSCC approval but might result in surface upgrades that could stop the need for pedestrians to

find drier routes through the ancient woodland. Cllr Kearney reported that the landowner is supportive as they are not happy with the additional paths through the woods and may be taking action to prevent straying from the path. The landowner's family rides horses along the path to get to the Bridleway at the end and into the village. Clerk to open discussions with WSCC about this.

131/21 **Meetings attended by Councillors –**

Cllrs Morris & Moss attended an ACCT meeting on 29th April 2021.

Cllrs Moss & Kearney attended the annual meeting of HALC on 29th April 2021 and a preliminary meeting on 8th April where a new HALC Committee was put in place. They report that the new HALC committee are looking to be more active in local issues.

132/21 **Matters raised by Councillors**

Speedwatch update from Cllr Kerrey – The Ashington Speedwatch Group has, after the long lockdown, established a regular presence on the Billingshurst Road with at least 2 sessions a week resulting in 133 successful reports of violations of the speed limit. This represents a little under 10% of the total volume of traffic during the session, which is a marginal improvement, but at least it is an improvement. We are hoping to increase our exposure to include The London Road more regularly.

However, it seems lockdown has not improved some drivers temperament. Apart from the usual sounding of horns and finger waving, invariably from younger male drivers, we experienced one driver, again male, swerving towards us aggressively which certainly increased the collective heart rate! Unfortunately, the registration number was taken down incorrectly meaning we will have to wait for the next time.

Cllr Kerrey has suggested that Ashington PC might consider erecting a village flagpole. Clerk to investigate and report back next meeting.

Clerk CFWD

Cllr Kearney informed the Council that the noticeboard at Warminghurst Close play area has broken legs. He suggests that he could cut the posts off at frame height and bolt new legs on the outside or inside of the remaining legs, paint, dig new holes and set in postcrete. A new noticeboard is £800. It was agreed that Cllrs Kearney & Spiers inspect all the village noticeboards and come up with a plan for repair/replacement. The Clerk will check the Street Furniture Earmarked Reserve that was set-up some years ago for this purpose.

CFWD

Cllr Kearney reported that the bench at the junction of Rectory Close/Rectory Lane is broken and needs urgent removal. Agreed. Cllrs Kearney & Spiers to include village seats in their Street Furniture inspections and plan (see above).

CFWD

He also reported that the tree outside the Pharmacy is dead at the top. Clerk to ask Mark Adsett to look.

KD D

There are 2 grab bags on the highway verge outside 6 Woelfs Close. They have been there for a very long time. Clerk to write to the resident.

KD D

Cllr Kerrey reported that the wooden Ashington sign at the southern end of the village is becoming obscured by vegetation. Clerk to ask Mark Adsett to look.

KD D

Cllr Moss reported that the Cactus Nurseries sign on Spear Hill needs to be removed. Clerk to check and report to WSCC.

KD D

133/21 **Chairman's Announcements -**

Future meetings – the Council will return to physical meetings from 3rd June. The Clerk is checking arrangements with ACCT.

The Chairman sent the following message to the Official Book of Condolences, following the death of HRH Prince Philip:

On behalf of the residents of Ashington Village, West Sussex, the Parish Council wish to extend their condolences to Her Majesty the Queen and her family on the loss of Her husband HRH Prince Philip, the Duke of Edinburgh. The Duke is a lasting inspiration to all.

Our thoughts are with you Ma'am at this most difficult time.

PLANNING

Cllr Woolley was put in the Waiting Room (ie outside the meeting).

134/21 Neighbourhood Planning Update

The Referendum is taking place today.

135/21 HDC Local Plan Review Update – the Local Plan Reg 19 consultation is scheduled to take place in June-July 2021 which means that paperwork should be available shortly.

Cllr Woolley was readmitted to the meeting.

136/21 Minutes of the Planning Meeting held on April 28th, 2021.

Minutes have been circulated. Agreed by all.

The meeting scheduled for 14th April was cancelled as there were no applications to discuss.

137/21 Planning Applications – none

FINANCE

138/21 The minutes of the Finance Committee meeting dated 28th April 2021 were approved as a true record. Proposed by Cllr Woolley, seconded by Cllr Moss and agreed by all. The accounts were sent off to the Internal Examiner who reports that there are no matters to raise.

The Council will undertake the annual review of Financial Controls, accounts and the Annual Return at the June meeting so that the Chairman can sign everything prior to sending to the External Examiner by the deadline of 30th June 2021.

ASB/crime/criminal damage

It has been nice to have the skate park open again this month and to see a number of people using it. Unfortunately, along with the opening we have found a number of used nitrous oxide canisters around the area, which we have collected and disposed of.

Following from last month's report we continue to regularly patrol local farm land which has been used by a group for drinking alcohol and inhaling nitrous oxide. We are concerned about the safety of the group meeting as well as the danger to local wildlife posed by the litter being left. If anyone has any further information on this please do get in contact.

If anyone sees or hears anything suspicious then please report it on 101 or 999 if something is happening in that instance.

Parking/vehicles

This Month we have issued 3 parking alerts to vehicles parked blocking the pavements. Please remember to park considerately, not obstructing pavements or close to junctions which obstructs the view of other road users. If the drivers continue to behave in this manner, we will consider taking enforcement measures under the Public Spaces Protection Order for anti-social vehicle use.

We have also put in report to Operation Crackdown following reports of a car which appears to be abandoned in Crays Lane.

We received a complaint around inconsiderate parking by the village pharmacy, we were able to signpost the resident to WSCC to hopefully get some assistance on the matter.

Fly tipping/littering/graffiti

There have been two reports of fly tipping this month both incidents were down Old London Road.

We have reported a number of potholes in the local roads to WSCC. We have also reported concerns where the edge of the tarmac appears to be crumbling away on Park Lane.

We have also been out litter picking this month as there has been several complaints around the amount of litter. We were able to hand out another litter picker to a resident who wanted to include this on his tasks around the village. If anyone in the village would like to borrow equipment for litter picking then please do get in contact.

Community engagement/events/meetings

This month we have worked with the ACCT to get new signage put up in the area alerting the public to the new Public Space Protection Order (PSPO) across the whole of Horsham District. This prohibits the use of psychoactive substance such as nitrous oxide.

We have sent a survey out via the school email and the parish Facebook page to help us plan some fun children's activities this summer. We are looking at possible sports activities but also asking for any other suggestions or ideas. If you have any suggestions then please send us an email.

Patrols (foot/visible and car)

We have patrolled the whole village on foot and vehicle at various times of the day throughout the month.

Elderly and youth

The newsletters are still being gratefully received by our elderly and vulnerable residents. We are able to check in with them all when we deliver the newsletter. We are pleased to hear that a number of them are beginning to venture out again, so we are now trying to plan some summer activities for this group.

We have been spending time engaging with young people around the village who are now back to work, we were able to give out bike safety equipment to one young person who was seen cycling late at night.

Licensing

Nothing to report

Dog related issues

Nothing to report.

Cycling

We had a discussion with a group of children who were cycling around the roads at speed, overtaking moving cars and quickly go from the road onto the pavement without checking for pedestrians. We advised that they need to be more aware of their surroundings and speed for their own safety as well as that of others. We are looking at the possibility of cycle safety courses to help.

Parish specific/other

We raised concerns to the police regarding a minor in the village with regards to their safety. This is an ongoing investigation and we are currently supporting those involved.

Appendix 2 – Youth Worker Report

Youth Worker's Report - April 2021

We were so excited to finally be able to welcome the young people back into the club on 19th April! We had reorganised our opening times to ensure year groups didn't mix, and so far, it's been a resounding success for years 6, 7 10 and 11. We haven't been able to re-engage with years 8 and 9 yet. The sessions have been fun, safe and lively. All young people have adhered to the face masks, social distancing and hand sanitising rules without fuss or bother.

The themes of the youth nights so far have been pizza in a mug (sadly the recipe I chose didn't go down so well and most young people didn't like it!), and Taskmaster challenges, where the young people did things like draw a self-portrait blindfolded, balance on one leg for exactly 100 seconds, and trying to make my friend laugh with a photo of their choice.

We are in the process of filming and editing an assembly for Steyning Grammar School, which will hopefully be shown to years 7, 8 and 9. When we connected with the heads of years, they all seemed keen to allow us to advertise in this way, and maybe more so when restrictions ease.

We have stopped the weekly Zoom calls, but have introduced special one-off events including: car wash fund-raiser, bike ride, litter pick and supporting the Ashington Cougars Football Festival in June.

We have had one new volunteer join us who started last week. We have a decent team at the moment, although that may change after the summer as I leave and the church interns leave too. I already know one volunteer stepping back in the summer but I will work with the committee to ensure they are not left high and dry after July.

Finally, I hope to join up with Chanctonbury Church youth team to start greeting and hanging out with the young people as they get off the bus after school one day a week. This will be a great way to reconnect with those who used to come, meet new young people and have fun, and advertise the club.
