Planning applications

DC/21/1898 Surgery to 1 x Oak tree – The Wickets, London Road

The Parish Council Object to the application on the grounds that there is no real evidence of need – the proposed works appear to be for convenience. Cutting branches on one side of the tree is detrimental to the shape of the tree. The Council is also concerned that previous HDC approved works to oak trees in this area have been detrimental to the health of the trees, with one tree dying, so extreme caution should be taken in approving any works to these trees.

The Planning Committee meeting closed at 7.40pm
