

## RESIDENTS GENERAL SURVEY

A Neighbourhood Plan is being produced by Ashington Parish Council. This is a written document bringing together the majority views expressed by us as a community. It details what the community would like to see happen in Ashington over the next 15 years (to 2031). Once completed, the wishes of the village that are in the Plan must be considered by authorities like Horsham District Council, West Sussex County Council, the NHS and the Government when they take decisions that affect us.

At this stage we need your help to tell us what you think about Ashington. Your input at this early stage is vital to the Plan's success. We will use your responses to prepare a more detailed village survey to identify how the residents, community groups and businesses want the village to develop over the coming years. Do we need new infrastructure, have any community projects that need doing, need improvements to facilities & services or want to stay as we are?

Please take a few minutes to give us your views. If you want to know more about the Neighbourhood Plan then visit [www.ashingtonpc.org.uk](http://www.ashingtonpc.org.uk) where there is a FAQ document and other background information.
