Parish Clerk: C Price
Members of the public: None
Declarations of Interest: None
Apologies received from: Cllr Spiers

Public Adjournment

None present

Planning applications

DC/17/2021 – Street Trading Pitch, Spring Gardens

Retrospective change of use to facilitate permanent siting of roadside canteen and associated portaloo.

The plans were reviewed and discussed. There were no objections to the application. Councillors support the suggested conditions highlighted by HDC Environmental Health Department.

DC/17/2418 – 16 Covert Mead

Retrospective change of use to incorporate adjacent open land within the residential curtilage and erection of 1.8m fence.

The plans were reviewed and discussed. The planning committee object to this application as it would result in a harmful loss of openness, with a detrimental effect on the street scene. Councillors refer to DC/17/1616 which was refused on the same grounds, this application should also therefore be refused.

DC/17/2855 – 1 Swan Orchard

Erection of 2 storey front extension and single storey front porch extension.

The plans were reviewed and discussed. Concerns were raised regarding the impact on the street scene and overdevelopment.
