

ASHINGTON PARISH NEIGHBOURHOOD PLAN SITE ASSESSMENT CRITERIA & SCORING PART 1 – preliminary assessment

Ashington Parish Council is looking at the potential availability of land for a range of uses across Ashington Neighbourhood Plan Designated Area (Ashington Parish) up to 2031. This exercise is being undertaken as part of the evidence base to support the preparation of Ashington Neighbourhood Plan.

Sites submitted to the Parish Council will be in the public domain and the information submitted will not be treated as confidential.

Please provide as many details as possible as this will help give an accurate assessment of your site – eg if your site lies partly within/out the BUAB, is partly brownfield/greenfield etc then give us FULL details.

We may contact you to clarify your scoring and reserve the right to challenge and amend where it is justified.

Part 1 Preliminary Assessment is intended to ‘screen out’ those sites that are not in compliance with the Horsham District Council HDPF and these sites will not be taken further in the Neighbourhood Plan. Sites ‘passing’ Part 1 will be subject to more detailed assessment and landowners/agents will be required to provide detailed plans for potential development of the site. Part 2 assessment will determine how the proposed development will deliver benefit to Ashington.

Deadline for submission of this form = **7TH DECEMBER 2016**
