

Ashington Parish Council

Minutes of the meeting held on 4th September 2014 at 7.45 p.m. in Ashington School, Foster Lane, Ashington

Present: Councillors J. Gichovi-Elias, B. Norton, K. Wood, N. Carver, D. Harbour, R. Brennan, R. Lancaster, T. Kearney & N. Clark
Parish Clerk Karen Dare
15 members of the public

The Chairman reminded members of the public the requirement that they limit their participation to the Public Adjournment sections of the meeting. If Members of the Public have questions for Police/Wardens & District/County Councillors then the Clerk will pass these on if these individuals have left the meeting. Members of the Public are reminded that Standing Orders allow for 5 minutes maximum participation.

250/14 APOLOGIES AND REASONS FOR ABSENCE

Cllr M. Woolley (personal), Cllr R. Strudwick (business), Neighbourhood Warden Jayne Jeffrey (off shift), PCSO Bryony Sparks (personal). District Councillor Roger Arthur (holiday). District Councillor David Jenkins & County Councillor Philip Circus.

251/14 DECLARATIONS OF INTERESTS

The Chairman reminded Councillors that previous declarations still stand.

252/14 APPROVAL OF MINUTES

The Minutes of the meeting held on the 7th August 2014 were approved as a true record and signed by the Chairman. Proposed by Councillor Carver and seconded by Councillor Brennan, and agreed.

253/14 REPORT FROM THE NEIGHBOURHOOD WARDENS & PCSO

PCSO report (see Appendix 2). None.
Questions: None

Wardens report (See Appendix 1).

Jayne has asked if the Council would fund the Substance Misuse Manager from Horsham Matters to deliver a 6 week course (2 hrs per week) on drug abuse to our older youth. Total cost £250. Agreed.

Questions for the Wardens from Councillors: None
Question from Members of the Public: None

Youth Worker

Report (see Appendix 3). None

The temporary Youth Worker has settled in well and is opening the Youth Club twice per week (Thursday and Friday nights).

Update on the joint PC/Church Youth project – the second round of recruitment has started and the closing date for applications is 30/9 with interviews shortly after. If no suitable candidate is found then the Parish Council could consider recruiting its own part time youth worker. **C/F**

Youth Shelter project – the shelter is due to be installed on 24th September. **C/F**

Warden recruitment

Update. HDC are currently conducting an internal review of all employees job grades & salary and there are some questions about the Wardens grade. Until this is resolved Warden recruitment is delayed. **C/F**

254/14 YOUNG PERSONS ADJOURNMENT

The young people asked that the multi sports court be opened beyond 6th September (see below, Minute 257/14).

They reported that some of the younger youths are responsible for littering in the skatepark and that Neighbourhood Warden Jayne Jeffrey is addressing this issue by speaking to the offenders and others in their group. The young people were very grateful that the Parish Council had bought the new half pipe, youth shelter and were maintaining the area to a good standard and suggested that young people should take ownership of the area in terms of keeping it clean perhaps having some litter picking equipment in a storage area (possibly accessed by combination padlock) so that Jayne didn't have to spend her time litter picking in the area. It was agreed that this would be a good project for the Youth Worker.

255/14 REPORT FROM DISTRICT AND COUNTY COUNCILLORS

None present.

ACTIONS OUTSTANDING:

D = Minuted but deleted from next agenda.

C/F = Minuted and carried forward to 'Actions Outstanding' on the next agenda.

To list = moved to the list at the end of the minutes until some progress is made

256/14 Trees at Northern Edge of Recreation Ground

Nothing from Saxon Weald.

C/F

257/14 Ashington Multi Sports Court

The Clerk has spoken to ACCT about extending beyond 6th September and both parties have agreed an extension until Xmas. Clerk to amend the opening times to term time hours and modify the advertising banner.

C/F

CORRESPONDENCE

258/14 For action:

1. WSCC – What Matters to You – consultation for residents to respond to. Clerk to respond on behalf of the Council. **KD D**
2. WSCC winter maintenance offer – it is not clear whether WSCC will be providing any hippo bags of salt free of charge this year. However, they will fill grit bins free of charge. Councillors to consider whether to purchase grit bins (probably too late for WSCC to fill them this year). WSCC will reimburse contractor gritting/ploughing costs (£35/hr) if a significant snowfall event is forecast or occurs (>2”). Clerk to investigate the cost of grit bins and suggest locations. **KD C/F**
3. WSCC Minerals Local Plan – proposes minerals sites at Chantry Lane, Ham Farm (A283 Steyning Road) & Rock Common. Clerk to respond.

259/14 For information:

1. First Responders fundraising achievements.
2. SLCC AGM – 10th October
3. AiRS AGM – 9th October
4. WSALC annual report & accounts
5. HDC – are looking for volunteers for their independent remuneration panel.

260/14 General:

1. Making life better for people with Dementia – conference 8th October
2. Rampion Offshore Wind Farm newsletter
3. Invitation to New Horizons Appeal Autumn Fair
4. HDC – Food & Drink Guide
5. HDC – organisation chart
6. Streetmaster catalogue
7. Clerks & Councils Direct magazine
8. Age UK – creating a Dementia Friendly Horsham District
9. Laterlife Challenge

261/14 PUBLIC ADJOURNMENT

The Chairman explained that, in order that residents got the most benefit from their 5 mins maximum participation time, Councillors would listen to residents questions without debate or comment but would follow up on the items either by reporting back at the next meeting or directly to the individual outside of the meeting.

Members of the public reported:

General issues:

1. The barrier at the bottom of The Sands has not been repaired yet and the sandbags holding the temporary barrier in place have been damaged. Clerk to report to WSCC. **KD D**

2. A resident asked what was happening about Posthorses shop and Hoots House. The Clerk summarised the current planning status of both sites.
3. A resident asked some questions about the Luckista Site. He was disappointed that some residents who had been made homeless by the eviction received little or no help from HDC Housing. The Clerk explained that HDC Housing have strict criteria about who qualifies for 'council housing' and individuals must present themselves to HDC and explain their circumstances. The Parish Council have no influence on this process. The Clerk explained that the site has planning permission for units to be occupied from 1st March until 1st February and units must be empty in February. The site is for holiday homes and not permanent residences.
4. A resident reported that log cabins at Luckista Grove in Sussex were being advertised for sale at the Eastbourne Air Fair for £179k. The Clerk has asked HDC if log cabins on the site would need planning permission.
5. ACCT reported that they had received a quote to modify the lights at the multi sports court ie change from 6 x 1200W bulbs to LED bulbs which would be much cheaper to use. It was agreed that the Clerk work with ACCT to look at the options as this would allow use of the court during darkness. **KD C/F**
6. The hedge along Rectory Lane to Penn Gardens still hasn't been cut. **KD D**
7. Streetlights in Penn Gardens still haven't been changed. **KD D**

Comments relating to planning application DC/14/1420 (summarised):

Information provided by Margaret Alford:

1. The site owner did not require the site for his fuel distribution yard as he has found a more suitable site for this.
2. The 'drive thru' could be Starbucks, Costa or Burger King. McDonalds had also recently requested information about the site.
3. Any litter issues would be addressed by the site occupiers.

Other comments:

1. The 'drive-thru' will attract anti-social behaviour. The area already suffers from boy racers speeding around the two northern roundabouts as if they are a race track. The traffic predictions in the application show potentially 200 vehicles per hour using the roundabouts and this will have an impact on near neighbours.
2. There was some suggestion that the Police would monitor the area, perhaps even use the service station. Others disagreed that this would happen.
3. The youths supported the application as it would create jobs in the village.
4. Concern was expressed about the viability of the service station, with Buck Barn services being so close. Viability is not a planning consideration.
5. There was support for the application as it gave residents good access to a petrol filling station, the restaurant was seen as less necessary but it did create jobs. The shop was seen as beneficial as it would give residents choice.
6. The new shop would attract custom away from the Co-op and may alleviate some of the parking/congestion issues. It was not felt that the new shop would result in the Co-op closing.

7. Concerns were expressed about the 24/7 opening times – the site is in a residential area and nearby residents would be affected.

The Chairman thanked residents for their comments and closed the public adjournment.

262/14 PLANNING.

The Planning Committee met on 20th August and Councillors have been provided with a copy of the minutes. Agreed by all.

263/14 Correspondence

Neighbourhood Plan –update. Letters have been hand delivered to most residents, those in outlying homes will receive theirs shortly in the post. The Clerk sought approval of £5 per hour for letters to be put into envelopes and stamps affixed by her daughter. This is @2 hours work and the Clerk’s time can better be spent on more important Council business. Agreed.

Businesses will receive their letters shortly. The Clerk will arrange dates for public meetings at the Community Centre.

KD C/F

Proposed sale of land to Post Horses House – the Clerk has contacted the District Valuer (as they only take instruction from organisations and not individuals) who reports that a valuation will cost in the region of £500+VAT. Given the low value of the land the Clerk also made enquiries with SSALC about whether the Council was duty bound to have a formal valuation and they responded: if you have researched the various costs and have an understanding of the value of the land and the increased revenue the council will gain by taking this route (ie not having a formal valuation) then you will need to put it into a report in order that any enquiries in the future as to whether the council acted in the best interests of the electorate can be proven. Councillors agreed that, in this exceptional instance, a formal valuation is unnecessary and should simply ask for a fixed price plus legal costs to be paid by the purchaser. Clerk to prepare a report and Councillors to suggest a value (email in confidence to the Clerk).

KD C/F

Luckista Caravan site – it is understood that all residents have now left the site. There was much activity by the Church, Parish Council and others to try to ease the process for some of the more vulnerable residents. It is not certain what the owner intends to do with the site.

HDC - Horsham District Council has submitted the Horsham District Planning Framework to the Secretary of State for Communities and Local Government on 8th August 2014 for independent examination.

264/14 New Enforcement Allegations/Information

None

265/14 Amendments

None

266/14 Applications

DC/14/1420 Proposed new service area (24 hour) development comprising of petrol filling station (sui generis use) and ancillary shop (A1 use), forecourt canopy, 5 no. pump islands, automatic car wash and associated service facilities (ATM, air/water point, jet wash etc) Restaurant with Drive-Thru facility (A3 and A5 uses) and associated sewage treatment plant – land south east of Martins Farm, London Road

The application was discussed at the Planning Committee meeting of 20th August and Councillors recommended the following response:

“The Parish Council support, in principle, the development of the garage; which is a priority in the CAP and therefore has resident support and also support the shop which would add to the village's facilities. There is no concern about competition adversely affecting the Co-op, and that in any case this should not be a planning issue. There are some concerns over the restaurant as it would have very little amenity benefit for the village; however the employment opportunity that it would bring is welcomed. There is no concern about the loss of the country store from the previous application as there are several in the wider area. The Parish Council welcome the loss of the fuel store from the previous application as this is a residential area. The Parish Council is pleased that this is a low level (single storey) development (as opposed to last application).

However, the Parish Council object to the proposed 24/7 opening hours as the site is in a residential area and noise/disturbance will affect the amenity of residents.

Reference is made in the application to previous approval of unlimited opening, but in the quoted reference to DC/04/1586 there is no mention of unlimited opening, and indeed it refers to lights being used only during opening hours (suggesting there would be closed hours). The previous planning permission (DC/11/2648) was very specific about acceptable opening hours for a facility in this location.

It is felt that the template from BP in Findon and/or Esso in Storrington, as sites in residential areas with opening hours of 06 00 to 23 00, could be appropriate.

In summary, the Council would like to see the proposed hours of operation reduced to reflect the residential nature of the area and therefore OBJECT to the application.”

Councillors supported the above comments but agreed to modify the opening times to 06 00 to 22 00hrs as 23 00hrs was felt to be unnecessarily late in a residential area.

Horsham District Council

267/14 Approvals

DC/14/1165 Minor Amendment to consented scheme (AS/14/03) for conversion of barn into 1 dwelling - Spring Pond Barn Rectory Lane

268/14 Refusals

None

269/14 Withdrawals

None

270/14 Appeals made/ decisions

PKF Littlejohn	Audit	£480.00	1572

Setter Ltd	play area ropes	£232.56	1573
E. Greenfield	Responder expenses	£118.95	1574
HDC	dog & litter bin emptying	£305.50	1575

It was resolved that the schedule of payments shown above be approved for payment. Agreed by all.

274/14 MEETINGS

The Clerk & Cllrs Clark & Gichovi-Elias had attended the Wardens Steering Group meeting.

Cllr Gichovi-Elias had attended an ACCT meeting.

275/14 MINOR MATTERS RAISED BY COUNCILLORS

- | | | |
|--|-----------|------------|
| 1. Cllr Wood reported that trees outside Monza Garage had been cut down at the request of the garage owner because they were dropping sap on his cars (with permission from WSCC). Cllr Wood to speak to WSCC Highways and arrange for the sign to be re-instated. | KW | C/F |
| 2. Pothole in Timberlea Close. Clerk to report to WSCC. | KD | D |
| 3. Does the Wardens landline and ansaphone work? | KD | D |
| 4. Thanks to ACCT for agreeing continued use of the multi-sports court. | KD | D |
| 5. Thanks to John Berry for doing a lot of general tidying up, especially vegetation clearance, around the village. | KD | D |
| 6. There is a lot of dog mess by the balancing pond behind the school – Clerk to pass info to Neighbourhood Warden. | KD | D |

276/14 CONSIDERATION OF STANDING ORDER 11

"To be moved that in view of the item to be discussed being of a confidential nature that the public and accredited press be excluded from the meeting and that they be instructed to withdraw"

Members of the public left the meeting.

Summary of discussions - The Clerk has been made aware that HDC have conducted a review of the Wardens job grade and salary. It was agreed that the Clerk investigate the circumstances and write to HDC to ask for more information.

KD C/F

The next meeting will be held at **7.45pm on Thursday 2nd October 2014 at Ashington School, Foster Lane.**

The meeting finished at 9.30pm

Signed.....

Date.....

277/14 APPENDIX 1: REPORT FROM NEIGHBOURHOOD WARDENS

CRIMINAL DAMAGE

Reports of criminal damage have been made to me this month.

The Take away shop has had its window smashed. This was following a report of anti-social behaviour outside the premises.

The co-op phoned me to inform me that someone had super glued their shutter. They were unable to close the shutter when leaving the shop. Super glue had also been placed on the cash point machine. These issues have been reported to the police by the co-op.

I have also noticed several road signs have been pushed over. I will report this to highways dept. Damage has been made to benches in the Turn pike play area. It looks like someone has tried to set fire to the benches. This has been reported to the police. I will visit local residents over the next few weeks to see if they can keep a look out for any anti-social behaviour in this area. If so they will need to call through to police straight away.

SUSPICIOUS PERSON

I have had to deal with a suspicious male acting in a very strange manner on the London Road. I had to call 999 and ask for police assistance as he was acting in a dangerous manner by putting his self at risk of harm and others. He was walking up the middle of road with cars coming in both directions.

Many residents passed the scene as these issues were happening before I got there. I would just like to remind all residents if witnessing suspicious behaviour or something they just don't feel happy with to call the police. Luckily this time nothing too serious happened.

NEIGHBOURHOOD WATCH SCHEME

I have collated all names of volunteers who are prepared to act as neighbourhood watch members. I will pass on all information to PCSO Sparks to deal with updating the old neighbourhood watch scheme that is presently running in Ashington. This scheme is going to be so valuable for communicating information across the village.

NEIGHBOURHOOD DISPUTES

I have had several neighbourhood disputes this month that are really affecting those concerned and their quality of life issues in their own homes. I have been working with all parties concerned to come up with solutions to the problems. I will continue to work closely with them over the next few months. Mediation has been offered in all cases. I have even been standing in myself to act as mediator on some of the problems.

Several partner agencies have been contacted for their input into the situations that are happening.

I am also encouraging those with the issues to speak together and try and resolve it between them without the need of intervention. This I feel has the best outcome for all concerned. It has been quite positive at the moment with these issues.

DRUGS AND ALCOHOL

This last month has seen an increase in local youth approaching me for help. They are aware that their substance misuse is heavy and are asking me to refer them to relevant agencies for help with reducing and stopping their substance misuse. This is a very positive sign and I am doing my best to help them.

I am at present in contact with the Substance Misuse Manager who works with Horsham Matters. We are trying to arrange sessions for those youth that have asked for help.

There is Intelligence continually being passed to Police.

Several police calls due to anti-social behaviour have resulted in alcohol confiscation, searches for drugs and youth being returned home to parents over this last month.

I have spoken with the co-op regarding people buying alcohol for underage group within the village. They are working with me and have agreed to not sell the alcohol to older youth if they feel they are giving it to the younger ones. I know that some local youth have been refused to buy alcohol due to this problem over the last few weeks.

I will arrange for the new temporary youth worker to deliver sessions to youth concerned over alcohol intake and the dangers etc.

LITTER

I continue to litter pick hot spot areas with the help of local youth.

I have noticed the litter has not been as bad this month.

I have been doing a lot of education work when coming across the groups of youth in the village. Hopefully some will listen. Sadly there is always going to be the few that just will not conform. I am aware of those that are causing the issues.

Now the new temporary youth worker is in place I will be asking her to get the youth club members to litter pick at rear of youth club on a weekly basis. This hopefully will keep the litter down in this area.

Some of the local residents have suggested that we have an Ashington Litter pick day. This would be a really good idea. I am looking to arrange some help from Horsham District Council cleansing department to see if they can provide a truck on the day to remove all rubbish that we litter pick. I will also ask if they have any litter picking equipment we could borrow. It would also be good for the community to come together and litter pick their village. I am more than happy to provide refreshments on the day.

This event would really help me to help all resident's make Ashington village a Cleaner, greener, safer environment to live in for all to enjoy.

I will contact KEEP BRITAIN TIDY to see if they have any kits we could use for litter pick.

STRAY DOGS

Stray dogs are really taking up a lot of my time. The dogs that are reported to me as strays never have any identification, phone number etc. on collar. Due to this I am only able to contact the dog warden from the local kennel who will come and collect the dog.

I don't like doing this as it will cost the owner a lot of money to retrieve their pet.

Pets at home can do a personalised identification tag for £4.99. This is a lot cheaper than kennel fees. When I find the dogs I can just give the owner a call.

Due to the amount of stray dogs that I have to deal with I have had to purchase a dog guard for the warden car. This is for my safety as well as the dogs that I have to retrieve.

An example of my time that is wasted dealing with stray dogs is it took three hours the other night dealing with one stray dog. Thanks to the local residents for all their help I was able to deal with getting the kennels to come collect dog.

YOUTH

Many of the youth are getting excited about the arrival of youth shelter. Arrangements are being put in place to have an opening ceremony when it arrives. I will be asking local businesses to sponsor event if possible.

A grant of £250.00 has been received from Sussex Police towards the youth shelter.

Youth are still looking at ways of raising more money towards this project.

Hopefully the youth worker can now take the lead on arranging this event. I of course will help in any way I can.

I have decided that I will be taking the youth that have made a valuable voluntary contribution to their community on a trip to reward their hard work. The Date, time and location is to be confirmed. At present approx. seven youth will be on the trip.

There have been several reports of anti-social behaviour this month across the village. One good thing residents are phoning the police when they witness the anti-social behaviour.

My main concern still remains that a lot of the anti-social behaviour issues are older youth 18 plus. Most of the anti-social behaviour is happening after 11pm.

I have been working closely with the new temporary youth worker over the last couple of weeks. We have been looking at the best days, times etc. to open youth club. I think it has now been agreed that two separate nights the youth club will be open, one night for the younger youth and the other night for the older groups within the village.

BALL COURT

The Ball court is still being used on a regular basis. Not as busy as I thought it would be. No issues with litter.

FLY TIPPING

The Old London Road is really becoming a hot spot for fly tipping. Several fly tips were made and one even being dumped in the middle of road making it difficult for access to houses at the bottom of the road. I have reported to cleansing dept. to arrange for removal.

ELDERLY/VULNERABLE

I've had some really sad issues this month within the elderly/vulnerable group. One had a nasty fall which resulted in them being hospitalised. Another being hospitalised due to sudden illness I have been visiting all who have had a difficult month making sure they are receiving all the help and care they require.

I would just like to say it was lucky both these residents had a community link alarm. It enabled them to raise help quickly.

Lots of purse bells and chains have been handed out this month across the village to prevent purse snatches.

For those who wish to monitor their exercise activities I have been handing out pedometers.

I am waiting for an order that has been placed for rechargeable torches. I will be handing these out ready for the dark winter months. I have also managed to get more winter warm packs.

I have finally found some free time to arrange a trip out for the elderly/vulnerable group. It will be on Friday the 12 TH September. We will be visiting Matalan, Lidl and then Bognor town centre for some retail therapy followed by lunch at one of their favourite places Felpham Boat House. We will be having fish and chip followed by a walk along the sea front.

This was all arranged at their request.

ASHINGTON CARNIVAL

I am really pleased to report that there were no complaints of anti-social behaviour on carnival day.

I personally would just like to say that it was one of the best carnivals that I have attended over the years that I have been a neighbourhood warden.

It was lovely to see so many floats this year. A lot of hard work had gone into the floats and all that took part had also put so much effort into their entries.

I attended from early morning until late at night and can say that the atmosphere was very happy. Everyone was enjoying themselves. It was particularly nice to see everyone having a good time.

I did work alongside the community link manager during the day manning a stall giving out security and personal safety advice, and information on all services available. Purse bells and chains were also given out to all.

Several referrals were made to the community link. These people will be visited over the next few weeks to discuss if they wish to use the service.

The stall was very good to have and it enabled me to have close contact with all. Lots of networking was done with partner agencies.

More elderly/vulnerable had approached me on the day asking for help. I will be making my way around to all of them to sign post and discuss issues they may have.

Several would like to attend the lunch club.

ASHINGTON AFTERNOON LUNCH/ TEA CLUB

Lunch club was a success in August. We had fish and chips from the local take away shop. A very big thanks to them for their support and effort in supplying 32 portions of fish and chips and five pie and chips. The portions were massive. Everybody enjoyed their lunch.

It was followed by a vintage tea outside. Everyone enjoyed the day and we finished off the day with a good old natter.

Thank you to everyone who attended and donated gifts for raffle and freshly grown produce for the sales table. These kind donations enable us to make enough money to keep the lunch club going throughout the year.

September lunch club we will be having lunch followed by an afternoon of live entertainment. A lady will be attending who will be singing songs from the 30`s through to the 60`s. This will be followed by a light tea made up of homemade cake and pastries.

It is good news that this September we will have some extra help from members of the church. Any help is gratefully received.

I have also heard that several church members have volunteered to drive the minibus. This will prove very useful for the lunch club and even for planning trips.

We are already planning entertainment for the next two months; one month will be someone coming in to do crafts. A lunch club member has offered to do some singing another month.

Then it will be time to arrange the Christmas party.

It is good news that the lunch club has managed to fund its self for another year. I am hoping to apply for some funding for help towards next year.

Lots of new members are attending. August saw an attendance of 36 members.

Youth still helping at this event when they can.

WARDEN CHRISTMAS PARTY

Invitations have now been designed and printed. Look out for you invite in the next few weeks.

WARDEN TRAINING

I have just attended a refresher course for playground inspections. This will allow me to inspect playgrounds within the parish for the next three years.

I have just had my SIA licence renewed for the next three years.

I am doing a home study course over the next ten weeks. It is for a level two in Mental Health Awareness.

I will also be attending a course on Understanding Dementia in October.
