Amendments

DC/13/1736 Retrospective application for timber based porch and summer room- 26 Fairfield Road

The Clerk explained that the amendment was simply a change of description of the proposed work and that the substance of the application had not been changed since Councillors discussed this application at the Planning Committee meeting of 18/9/13. As only 2 Councillors were able to take part in discussion of this application, and therefore there was no quorum, it was agreed that no further comments be made on this application.
