

Ashington Parish Council

Planning Committee Meeting

Minutes of Ashington Parish Council Planning Committee Meeting held at 7.00pm on Wednesday 20th June 2012

Present: Councillors B Norton, M Woolley

Parish Clerk K Dare

Members of the public: 0

Declarations of Interest: Cllr Woolley confirmed that he would not speak about application DC/12/0857 as he had been contacted by the applicant regarding another Parish Council matter.

Apologies received from: Councillors J Stillwell, D. Harbour, N Carver, T Kearney (all personal), & K Wood (holiday)

Given that there was not a quorum of Councillors the meeting was adjourned prior to discussing the planning applications. The Clerk would apply to HDC for an extension to the deadline for comments to allow the applications to be discussed at the Council meeting on 5th July. If this is not possible then the Parish Council would rely on HDC's Tree Officer to assess the applications.

Planning applications – not discussed.
