Declarations of Interest:

Apologies received from: Cllr Stillwell

Public Adjournment

The application was explained in person by the applicant Mr A Gilsenan, ACCT Trustee. There is a mistake on the Planning Application as admitted by the applicant, that it was actually the ACCT AGM where the application had been discussed.

An email from a member of the public to the Clerk, whom was not able to attend, is concerned on the wording of the ACCT proposed sign and feels very strongly that 'Community' must be included, as it is a community facility/asset, and not commercial.

Mr Marc Bunce, Parent Governor at Ashington CE School, confirmed to Mr Gilsenan, by email that the school are happy with the application, and has seen the logo.

Planning applications

DC/18/0483 Ashington Community Centre, Foster Lane

Installation of wall three mounted fascia signs on the front and side elevations.

The following points were raised;

Councillor N Spiers suggested contacting the Charities Commission to let them know of the intended changes.

Councillor T Kearney would like to enquire whether the new signage is deemed as advertising. The word 'Weddings' was misleading as the property is not licenced to carry out weddings.

The Councillors did not have a problem with the size and position of the signage proposed.

There were no objections.

The meeting closed at 7:45pm
