DC/18/2020 Bell Leisure Ltd, London Road

Demolition of an existing timber building and erection of a larger steel building.

No Objection with Comments.

Disappointment was expressed that the new building would require the loss of a large mature tree that currently provides screening of existing buildings from the road; it was therefore hoped that new planting on the boundary fronting the road might be possible that would at least partially screen the new larger building.

Comments were also made as to why the colour of the roof had to vary grey against the green sides, and whether a roof colour more sympathetic to the environment would be possible.

DC/18/2106 7 Greenacres

Erection of a single storey rear extension and front porch.

No Objection.

The meeting closed at 7.46pm.
